

Garmin 430 and 530 Ground School for VFR & IFR Pilots

This course has a cost, call (952)698-3000 or email ben@inflightpilottraining.com or go to www.inflightpilottraining.com for details. Class time is 10am-1pm (VFR users may leave after the first half if they choose)

Directions: Park in the Inflight/Modern Avionics parking lot & along the adjacent hangars...we're hard to miss, averaging over 100 cars each week. Inflight's office doors are on the west end of the Modern Avionics building right next to the "D" taxiway. If flying in, ask for a progressive to Inflight & park right out front on our ramp next to the school & other transient airplanes, we'll wave you in.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
